

# Spreading GOOD IS GOOD BUSINESS

## Arrange for more smiles and “feels” at your next meeting with a Repeat Roses® activity.

Hilton and Repeat Roses—a global business driven to do well by doing good in the world—want to bring a new kind of team-building activity to our meeting and event groups.

Part of the Hilton Meet with Purpose program, this Repeat Roses activity is a turn-key floral design experience in which guests create bouquets for local charities from flowers recycled from a previous event. After the flowers are enjoyed by the recipient, Repeat Roses collects the arrangements for composting. The program is a socially responsible, zero-waste initiative making a positive impact on the planet—and your attendees!

**We are here to help. Ask the Hotel Manager for help finding a local, community building charity.**

## WHY HOST A FLORAL RESCUE ACTIVITY?

**Uniquely engaging:** An ideal networking opportunity, this “petal-it-forward” event provides an eye-catching setting, perfect for social sharing and PR promotions.

**#INSTAGRAMMABLE**

**Easy to implement:** A cost-effective and easy-to-implement program, you simply provide the volunteer fees, and Repeat Roses provides the rest.

**Socially responsible:** As an international environmental and social impact organization, Repeat Roses’ mission and practices align with many companies’ CSR goals.

## REPEAT ROSES EVENT LIFE CYCLE

**FIRST LIFE.** Florals on display, enjoyed for only a few hours at one event are collected to be re-purposed, giving them a second and third life.

**THIRD LIFE.** Florals picked up and composted—diverting tons of waste from landfills and reducing harmful greenhouse gases.

**SECOND LIFE.** Florals rearranged into bouquets and delivered—spreading joy to thousands of people in local charity programs.

**Even a modest event can contribute up to 400 lbs of floral waste. That adds up to 1 billion pounds of floral waste annually in the US alone.**

# Cost Overview

PEOPLE	BASE EVENT FEE	PER PERSON SUPPLY FEES	TOTAL FEE
3 - 10	\$3,000	\$100	\$3,300 - \$4,000
11 - 100	\$4,000	\$95	\$5,045 - \$13,500
